Lineare Lösungen für Anwendungen in Sonderfahrzeugen
Linear solutions for special vehicles applications

**Immer für Sie in Bewegung
When you move, we move**

Seit 1975 ist Rollon ein international führender Hersteller von Linearlagern, Antrieben und Lineartechnik Produkten, die den Ansprüchen seiner industriellen Stammkunden übertreffen. Die Produktfamilien von Rollon bieten höchste Qualität und wirtschaftliche Antworten auf die Anforderungen der Industrie. Der größte zusätzliche Nutzen besteht in der Leistungsfähigkeit das Produkt entsprechend der Anwendung anzupassen, so dass, falls benötigt, das Produkt individuell auf jeden Kunden zugeschnitten werden kann.

ROLLON has been a leading international linear motion manufacturer since 1975 providing linear bearings, actuators and linear motion products that surpass the needs of its industrial customer base. ROLLON's family of products provides high quality, cost-effective answers to standardized industry requirements. The biggest added value is given by the ability to personalize the product according to the application so that if needed, the product becomes "unique for each customer".
