Solutions linéaires pour véhicules spéciaux
Linear solutions for special vehicles applications

**Avec vous. En mouvement.
When you move, we move**

Acteur incontournable, ROLLON s'est spécialisé depuis 1975 sur le marché des solutions linéaires, concevant et fabriquant des guidages linéaires, des glissières télescopiques et des unités linéaires. Grâce à un savoir-faire et une expérience reconnus, ROLLON propose des solutions innovantes qui peuvent s'adapter sur-mesure à votre projet en fonction de vos besoins spécifiques.

ROLLON has been a leading international linear motion manufacturer since 1975 providing linear bearings, actuators and linear motion products that surpass the needs of its industrial customer base. ROLLON's family of products provides high quality, cost-effective answers to standardized industry requirements. The biggest added value is given by the ability to personalize the product according to the application so that if needed, the product becomes "unique for each customer".
